The proposal concerning the change must be supported with documentation and is reviewable by Buyer at their discretion.

Buyer shall accept the Goods or give Seller notice of rejection due to any defect or nonconformance within a reasonable time period after the date of delivery. Unless specifically noted in writing by Buyer's Authorized Representative, Buyer objects to and is not bound to any condition not authorized by contract. Seller's delivery serves as proof that Seller accepts this contract as written. Buyer's inspection of all materials and equipment upon delivery is for the sole purpose of identification. In the event of any anticipated or actual delay, including but not limited to labor disputes, Seller shall promptly notify Buyer in writing of the reasons for the delay, provide Buyer with a written recovery schedule, and if requested by Buyer, ship via air or other expedited routing to minimize delay to the maximum extent possible, at Seller's expense.
